A tiny FUNDRAISER returns to the Cultural Arts Council in 2018!

Last year's exhibit and sale of 6"x6" artwork was so popular we are bringing it back for an encore. Please spread the word by sharing this opportunity with your friends.

What is "A tiny Fundraiser"?

In 2017 several hundred pieces of original art, all 6x6 inches square, created by professional and amateur artists, were donated to the Cultural Arts Council (CAC), and sold for \$20 each. The CAC invites you to be a part of the Second Annual 6x6 exhibit – known as **A tiny Fundraiser!** This exhibit will help:

- Promote YOUR art!
- Offer collectors an affordable means to start an art collection or add to an existing collection
- Promote your artwork with chances for future commissions
- Provide financial support to the Cultural Arts Council

Entry Information:

- NO entry fee
- FREE 6x6 canvases available from the CAC - up to four (4) per artist
- Each piece of artwork sells for \$20 during the exhibit – July 12th through August 16th
- Artwork goes home with the buyer at the time of sale
- Please, NO glitter or unfixed charcoal/pastel
- Artwork must be original work, and comply with the 6 inch square requirement (including mat and/or frame), or be mounted on a 6 inch square board
- Artwork must be family friendly and the CAC reserves the right to reject any art deemed inappropriate
- Seeking professional and amateur artists for donations
- Artist information should be included on a card on back of artwork
- Artists can enter up to four (4) pieces of art - either 2D or 3D, but artwork **MUST** be light enough to hang on the wall, and must be 6"x6"
- All artwork donated becomes the property of the CAC
- Artists retain the copyright to their artwork and artwork cannot be duplicated without permission of the artist

The opening reception for **A tiny Fundraiser** will be at the CAC on Thursday, July 12th from 6-8 pm. Artwork sales begin at 6:30 pm on July 12th and continue until the exhibit closes on August 16th. The CAC accepts cash, checks, debit and credit. The Douglas County Art Guild will host "Thursday Art Night" receptions for this exhibit on July 19th, 26th, August 2nd, 9th, and 16th from 5-8 pm. Artwork will also be available for purchase during regular business hours of the CAC. New artwork will be added to the exhibit every Thursday before the reception.

Looking for the Perfect Small Gift: 6x6 artwork makes the perfect small gift. If you can't decide what someone might like, purchase a 6x6 gift card for that special person to use during the exhibit. Gift cards are available at the CAC for \$20 each. **Give the gift of art!**
